Volume LXXII Issue 10

Opening Day of Boating, May 1st
PFD Lt/C Linda Martin, SEO, JN and The Crab Lt/C Susan Tarpley, AP

June Highlights

1st - Tuesday - General Meeting BBQ 1830 hours (6:30 pm)
BBQ *in the* Fireman's Hall Parking Lot - Details Page 10

Due to the change in status of the COVID 19 pandemic our meetings have opened up to in-person meetings. Once again, all activities are subject to change under Governor Jay Inslee's recommendations. Classes will be taught online including Seminars unless otherwise instructed. If you need information or are concerned about in-person meetings and classes you can contact Cdr Mike Watkins or SEO Linda Martin. In the meantime continue being safe, use good hygiene and keep an eye on any at-risk member's in your family. Check out our website at http://www.BoatClubSnoCo.org for the most current up-to-date information on Covid 19 and boating the Salish Sea.

FROM THE HELM

Commander Mike Watkins, AP

Hope is the anchor that secures our soul

As I write this, our hopes for summer are turning into reality.

It has been announced that our county will remain in Washington States Phase 3 of Covid restrictions with all restrictions to be lifted by June 30th. Those that have been vaccinated no longer need a mask in most instances under the new CDC guidelines.

For our club, this means our plans for an in-person outdoor BBQ in the parking lot of the Everett Firemen's hall can go forward on Tuesday June 1st. And our plans for rendezvous for the remainder of the summer can go forward. I am looking forward to seeing you at the BBQ and at one or more events this summer. See the remainder of *The Pike Pole* for further details.

On a personal note, I have been off traveling seeing family in Columbus Ohio and Byhalia Mississippi. In between, we took some time to see Knoxville and Chattanooga along the Tennessee river. In multiple locations we found a large red warning sign telling people that it was unsafe to swim within 100ft of the marina docks. These signs, as well as yearly electrical inspections and ground fault tripping equipment have been required in Tennessee since 2015. The law requiring this was passed by the state legislature after the tragedy of two young boys being electrocuted swimming from a marina dock.

As we ramp up our activities this summer, please take a moment for safety. Here is a link to a straightforward discussion on how to check for stray AC current: http://truenorth-marine.com/2018/02/22/ac-stray-current-check/

Looking forward to seeing you in person soon

Cdr Michael Watkins

Come ZOOM With Us...

during *the* Covid 19 pandemic

FOR INFORMATION ON HOW TO JOIN THE MEETINGS:

1. Go to http://www.BoatClubSnoCo.org
2. Click on MEMBERS ONLY link (your computer may show MORE) Click the link.
3. Key in the password that was given to you.
4. Find Zoom Instructions and click the IMAGE.
5. A .pdf file will open with the instructions.
6. Meeting starts at 6:30 pm
IF YOU HAVE QUESTIONS, PLEASE CALL:
D/Lt/C Jim West, JN 425/778-0283

Please note, using ZOOM for meetings is temporary and we will get back to face to face meetings when Covid 19 is under control.

Treasurer
Lt/C Randy Krumm, AP

EXECUTIVE DEPARTMENT

Lt/C Darcy Baker, AP

June greetings from your Executive Officer

Boating season has begun! With full classes and summer events planned, it's time to get ourselves ready to have fun while boating safely.

This year's National Safe Boating Week is May 22-28. Follow the link below and check out all the ways you can participate to help promote safe boating and prevent accidents.

https://safeboatingcampaign.com/resources/2021-national-safe-boating-week-toolkit/

Have your calendars on standby as there are a few events on the horizon that you won't want to miss. Our first "in person" gathering is planned as a BBQ/Tailgater on June 1 at the Everett Fireman's Hall. Look for additional information on Page 10 of this issue of The Pike Pole. Following that, we have several rendezvous planned that will be oriented to boaters, RVer's and folks that stay in local lodging to participate. Something for everyone!

Looking forward to seeing many smiling faces at the June General Meeting. It will be a great way to reconnect and catch up with friends again.

Darcy Baker, AP
Executive Officer

ADMINISTRATIVE DEPARTMENT

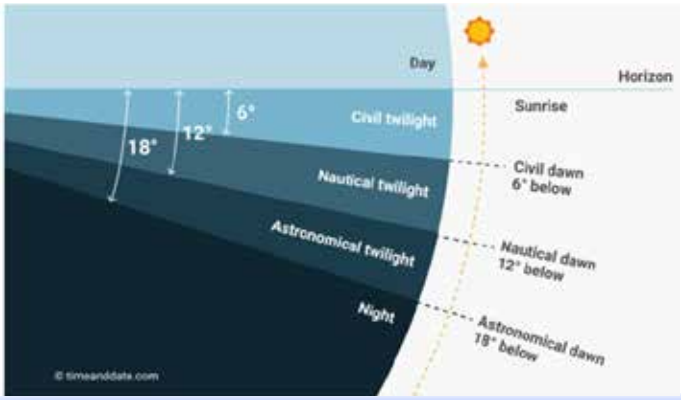
Lt/C Susan Tarpley, AP

For many of us, the past 18 months has felt as though we have been in "the twilight zone", i.e., that ambiguous region where two different ways of life or states of existence meet. Well, did you know there really is a twilight zone? Three different ones actually! Yikes!

Astronomers define three types (or stages) of twilight as the time between day and night when there is light outside, but the sun is below the horizon. According to the scientists, how far the sun is below the horizon determines whether it is civil twilight, nautical twilight, or astronomical twilight.

NOAA's National Weather Service states:

Civil Twilight is the time at which the sun is 6 degrees below the horizon. At this time, there is enough light for objects to be clearly distinguished and outdoor activities can commence (dawn) or end (dusk) without artificial lighting. This is the definition most widely used by the general public. **Nautical Twilight** is when the center of the sun is 12 degrees below the horizon, and only vague outlines of objects are visible. During the evening, this is when it becomes too difficult to perceive the horizon, and in the morning, this is the point when the horizon becomes distinguishable. This term goes back to the days when sailing ships navigated by using the stars. **Astronomical Twilight** occurs when the sun is 18 degrees below the horizon. It is a point in time at which the sun starts lightening the sky in the morning. Prior to this time, the sky is completely dark. During the evening, this is the point where the sky becomes completely dark.



So yes, it really is true that during the past 18 months of the pandemic, we have all been experiencing some type of twilight zone every single day!

Whether you choose to use the scientific definitions of twilight, or the more generic ones wherein the morning twilight is dawn and the evening twilight is dusk, one thing is the same: the actual length of daylight in our region is now longer! Noticeably longer… Hurrah! The amount of daylight in June is nearly 16 hours per day, that's well over 7 hours longer than in dark and dreary December! The summer solstice (a.k.a. the official arrival of summer), will occur on June 20th, and fingers crossed, the sun will be visible in the sky for the "longest day of the year".

Come celebrate the longer days of June and the arrival of this year's summer season at our In-Person General Meeting on June 1st. We hope that you will join us for a parking lot BBQ & Tailgate gathering, starting at 6:30pm at the Everett Firehouse (see calendar for important details). It will be a long-overdue opportunity to spend some time together in the twilight zone! See you there!

EDUCATIONAL DEPARTMENT

Lt/C Linda Martin, JN

The Role of Instructors in Education

By P/Lt/C Joellyn Jackson, S, Chair for Advanced Grades and Electives

As 1st/Lt Chuck Taylor, SN wrote in May's Educational Department article, continuing education through courses and seminars is one of the three objectives of our organization. Most of us have taken a Basic Boating or America's Boating Course at the very least. A few, like P/D/C Dennis Morris, SN, P/D/R/C Chris Brown, SN, P/Lt/C Robert Savela, SN, P/1st Lt/C Lloyd Richmond, SN, Dan Walther, SN and 1st/Lt Chuck Taylor, SN have taken all the courses and earned the Grade of Senior Navigator. SN That's a huge achievement!

What do all the courses and seminars have in common? They all require at least one instructor to guide the students through the material successfully. So, this month I want to thank the many members of our squadron who give their time, energy, and expertise to teach. Some of them taught many courses in the past and have now retired. They include Dennis, Chris, Robert, Lloyd, and most recently, Lt Raul Biascoechea, AP. Raul continued to teach for us for several years after he officially retired from Boeing. Now he and Sandy can pursue their post-retirement dreams. Raul, thank you so much for all the time you spent helping us understand weather maps, types of clouds, what that weird little part of an engine does, and how the electronics on our boats work to provide power, enable communications, and help us navigate from here to there safely. You are appreciated and will be missed in the classroom.

SEO Linda, ASEO Chuck, and I want to thank our current instructors (in no particular order): P/C Linda Martin, JN (SEO); 1st Lt Chuck Taylor, SN (ASEO); Lt/C Darcy Baker, AP; P/C Gary Baker, AP; P/C Frank Havens, AP; P/D/C Annette Ferguson, AP; Lt Nick Rich, AP; Lt Cathy Rich, AP; D/Lt/C Jim West, JN; Lt/C Susan Tarpley, AP; P/C John Tarpley, AP; Lt Elaine Keasy, S; Lt Jon Ward, N; Lt Dan Asplund, AP; and our newest instructor, Lt/C Brian Rachal, AP. We acknowledge the commitment you make when teaching these courses. Thank you. If you look at the ranks of many of the instructors, you'll notice a lot of past commanders. That isn't a requirement for being an instructor! Nor is a grade of AP. An instructor requires expertise and knowledge in a subject.

Raul left some big shoes to fill when he retired from teaching. He taught five of the nine Elective courses. We haven't yet filled all those shoes, but we're happy to welcome Lt Jerry Bass, AP and Lt Devin Ganger, P to our cadre of instructors. We're still trying to find instructors for Weather and Engine Maintenance. If you have expertise with either of these topics, please contact SEO Linda Martin. We can always use more instructors to co-teach a course or take on a seminar or a present a specific section of the ABC course. All who teach the ABC course must be Certified Instructors. See the next paragraph!

I'm teaching an Instructor Development course beginning in mid-July. Successful completion earns Certified Instructor (CI) accreditation. While CI status isn't required to teach any of the other courses or seminars, it certainly helps non-professional teachers learn how to teach. It will be conducted over Zoom since I have students from throughout Districts 16 and 32. The length of the course depends on how many students enroll. Six students require about seven weeks. If you're interested in taking Instructor Development, contact me at joellynj@hotmail.com .

AMERICA'S BOATING CLUB of Snohomish County

2021 BOATING EDUCATIONAL SCHEDULE

AMERICA'S BOATING COURSE -- ABC
JUNE 26-27
AUGUST 21-22

All 8-HOUR ABC courses will be taught face to face, at the Everett Yacht Club. The course cost is $60 per person. RSVP Linda Martin 425-422-4721

ALL COURSES (below) GOING FORWARD WILL BE TAUGHT VIRTUALLY USING ZOOM UNLESS NOTED

JULY 14 OR 15 – INSTRUCTOR DEVELOPMENT
COST FREE TO MEMBERS
INSTRUCTOR: JOELLYN JACKSON
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

SEPT. 22 – ELECTRONIC NAVIGATION*
COST $60 MEMBERS/$110 NON-MEMBERS
INSTRUCTOR: JERRY BASS
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

SEPT. 23 – BOAT HANDLING (SEAMANSHIP)
COST $60 MEMBERS/$110 NON-MEMBERS
INSTRUCTOR: JOHN TARPLEY
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

WINTER 2022 – MARINE NAVIGATION(PILOTING)
COST $70 MEMBERS/$125 NON-MEMBERS
INSTRUCTOR: BRIAN RACHEL
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

WINTER 2022 – RADAR FOR BOATERS
COST $80 MEMBERS/$135 NON-MEMBERS
INSTRUCTOR: JON WARD AND DAN ASPLUND
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

SPRING 2022 – BOAT HANDLING (SEAMANSHIP)
COST $60 MEMBERS/$110 NON-MEMBERS
INSTRUCTOR: JOHN TARPLEY
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

SPRING 2022 – ADV. MARINE NAV. (AP)
COST $55 MEMBERS/$100 NON-MEMBERS
INSTRUCTOR: NICK RICH
LOCATION: ON ZOOM
TIME: 6:30-8:30 PM 8-10 WEEKS

RSVP JOELLYN JACKSON -- 425-347-0763

MASTER LIST OF USPS COURSES

If any of these courses interest you, give us a call. We will schedule one in Everett or we will help search District 16 for a squadron teaching the course you want to take.

Linda Martin 425-422-4721
Joellyn Jackson 425-347-0763

ADVANCED GRADES

Boat Handling: How the heck do I get this boat to do what I want?
Marine Navigation (aka Piloting): How to get from here to there without running into something.
Advanced Marine Navigation (aka Advanced Piloting): Navigation under more difficult circumstances while using electronic tools, especially GPS all the while taking wind and currents into account.
Off-shore Navigation (aka Junior Navigation or JN): When off-shore there are no longer landmarks for reference; we must substitute celestial objects such as the sun.
Celestial Navigation (aka Navigation or N): The final navigation course focuses on sextant use---for when all your electronics fail!

ELECTIVES

Cruising and Cruise Planning: You're going on a two-week cruise in Canada – what do I take? Customs? Forbidden fruits & veggies? What if I get hurt? We answer all these questions and more!
Engine Maintenance: Diesel, gasoline, spark plugs, pistons, fuel mixtures, ... and how they all work together to get you where you're going.
Instructor Development (ID): Want to teach a course? We'll show you how! Open only to members.
Marine Electrical Systems (MES): There is one system on the boat and one that you plug into at the dock, which is which?
Marine Communications Systems (MCS): It can be a matter of life or death to be able to communicate with the first responders. We teach you how to make a SOS call and more.
Electronic Navigation Systems (ENS):
Radar for Boaters: The systems used to navigate by on the boat are changing as we speak. Learn now before they change.
Sail: What are all those lines and gadgets for? Are you sure the wind will blow me where I want to go?

Boating Safety 4 Kids

JUNE 2021

WELL, WHAT A YEAR THIS HAS BEEN!!

2021 OPENING DAY OF BOATING

PFD Seagull and Susan the Crab

Crab Pot Display

Tarpley's Crabbing Seminar

We have not done one single thing for Boating Safety 4 Kids since the Seattle Boat Show in February of 2020.

But then along came the Mukilteo Yacht Club with an invitation to join them Opening Day at the Everett Marina.

At the same time P/D/C Annette Fegruson, AP learned about a possible fundraiser from the Deception Pass Squadron. Selling refurbished crab pots!!

"PFD"
"PRETTY FANCY DUDE"

Susan and John Tarpley jumped right on that and went to the Department of Fish and Wildlife in Mill Creek and put 20 crab pots and miscellanious crabbing items in their new pick up truck.

After much discussion as to suggested donation and a work party to put them all in perfect working order and Tarpley's agreeing to do a one-hour crabbing seminar, we were ready to go.

At noon on May 1 the head of Dock 6 at the Central Marina, the America's Boating Club of Snohomish County was bustling with activity and ready for boaters and crabbers to come by and purchase a crab pot or two.

Well, PFD Seagull did not want to be left out. I stopped by the storeage unit and picked up several "PFD Puzzle Storybooks" for the kids while wearing most of my PFD Seagull costume.

During the 4 hours at Dock 6 I met with 5-6 youngsters and shared my story and gave them each a puzzle storybook.

There are now only four crab pots left and almost $800 in the Boat Club's Fund.

This summer there might just be an opportunity to teach Boating Safety 4 Kids, WANNA HELP?

SUPER SEMINAR SERIES
EVERETT SAIL AND POWER SQUADRON

BY Lt/C LINDA MARTIN, JN

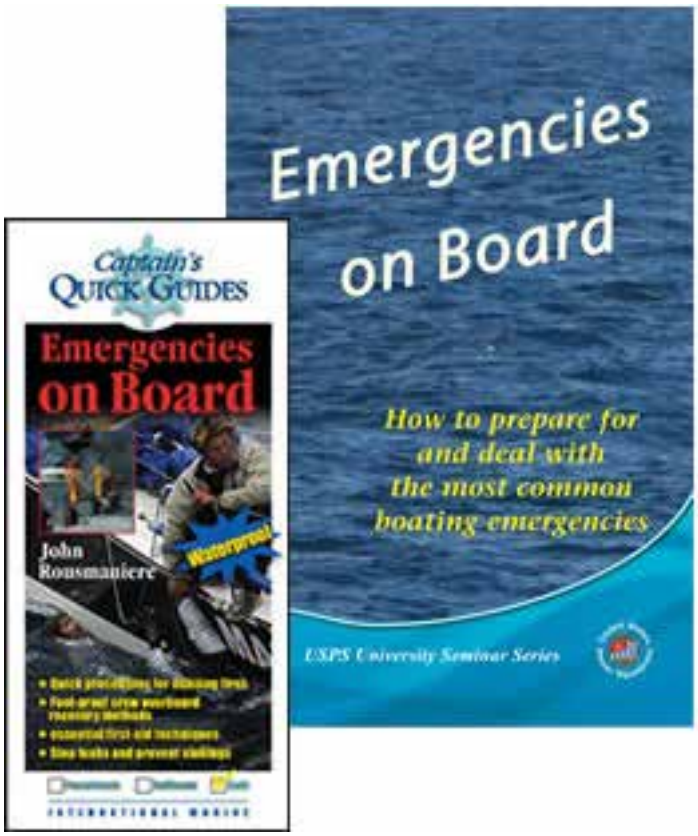
TUESDAY, JUNE 8th -- 6:30 – 8:30 pm
"Emergencies on Board"
Instructors to be Joellyn Jackson and Jim West

COST $30 PER PERSON OR $45 PER COUPLE (SHARING A BOOKLET) PAY ON LINE
Register for Seminars using PayPal on the www.BoatClubSnoCo.org website

ALL SEMINARS FROM 6:30 – 8:30 PM
ALL SEMINARS TAUGHT ON ZOOM FOR THE FORSEEABLE FUTURE

*******RSVP LINDA MARTIN 425-422-4721*******

SUPER SEMINAR SERIES for 2021-2022
EVERETT SAIL AND POWER SQUADRON



We are planning our Seminar Schedule for Fall and Winter. We want your input on the Seminar Schedule. Email Linda Martin at PFDprettyFancyDude@yahoo.com with your preference this month. Subject Line "Super Seminars"

SEMINAR	SEMINAR	SEMINAR
AIS Electronics for Boaters	How to Use a Chart	Paddle Smart
Anchoring	Hurricane Preparation for boaters	Partner in Command
Basic Weather and Forecasting	Intro to Navigation	Propane Systems on Your Boat
Boat Handling Under Power	Knots, Bends and Hitches	Tides and Currents
Boating on River, Locks and Lakes	Man Overboard	Trailering Your Boat
Crossing Borders	Mariner's Compass	Using GPS
Emergencies on Board	Mastering the Rules of the Road	Using VHF and VHF/DSC Marine Radio
Fuel and Boating		

June 1st BBQ – Tailgater General Meeting

by Lt/C Darcy Baker, AP

Everett Fireman's Hall – 6:30 pm
We're back in person! Woot Woot!!

Join us for our annual BBQ Tailgater with a twist. Instead of our usual potluck, we ask that attendees bring their own picnic dinners, plates/utensils, beverages, and chairs. A grill will be available for anyone who wants to BBQ their own meat.

We will be sitting outside in a roped off, socially distanced space. Please dress accordingly. Restroom access will be available, but the meeting hall and kitchen will be unavailable (unless there is a thunderstorm or the like!) The boat club will provide individually wrapped desserts for all to enjoy.

Your new Bridge officers will be sworn in and flags will be exchanged. We can show our appreciation to P/C Frank Havens, AP-IN who has moved on to the Past Commander position. Hear more about the summer's rendezvous plans and get caught up with your friends in boating – face to face!

Prevailing Covid precautions will be followed as required by the State. That won't stop us from having a great time getting reacquainted. See you there!

ACTIVITIES WILL RESUME AS REOPENING CONTINUES

June 11-13	Poulsbo Rendezvous *with* D-16
July 17	Driftwood Shores Garage Sale 2nd fundraiser of the year
July 16-18	Commander's Cruise to Fisherman's Bay on Lopez Island
August TBD	Group Picnic somewhere in the beautiful PNW
September 3 - 6	Point Hudson Marina Labor Day Weekend

WEAR IT!

FOR INFORMATION AND RESERVATIONS CONTACT:
Lt/C Susan Tarpley, AP @ jsetarpley@frontier.com
Stock Photo by Adobe, logo design by Lt Linda Skugstad, AP

All dressed up for Opening Day of Boating
Everett Marina

Annual Labor Day Point Hudson Joint Rendezvous

by Lt/C Darcy Baker, AP

America's Boating Clubs of Everett and Seattle

Mark your calendar and make a reservation with Darcy Baker for a slip at the marina or RV campsite at the beautiful Point Hudson Marina in Port Townsend. This is always a well-attended gathering with enough activities to make everyone happy, plus many local attractions. If you're not a boater or RV'er and want to attend, make a reservation now at one of many local inns or nearby private accommodations.

All members are welcome at this rendezvous! Dates are Friday, September 3 to Monday September 6. Rendezvous details will be finalized early this summer and will be advertised in the July "Mini" Pike Pole. In the meantime, to secure your spot please provide the information below to Darcy at thebakerfamily4@comcast.net. At this time, there are 17 slips and four RV sites reserved for our group. Don't delay, these spots can go quickly. A $10.00 non-refundable reservation fee will be required to secure your spot. Provide the following information so that slip/RV assignments can be arranged in advance. *Please note: Don't call Point Hudson to reserve a spot, we've already done that, and are now assigning guests to those spots.*

- Name(s)
- Email Address(es)
- Mobile Phone Number(s)
- Date & Time of Arrival
- Date of Departure
- How are you arriving to the rendezvous?
- Vessel Name
- Vessel/RV LOA
- Vessel Beam
- Preferred Tie

https://portofpt.com

Thank you to all participants in the Fred Meyer Community Rewards program who have designated the Everett Sail and Power Squadron (ESPS) as your non-profit of choice. By linking your Fred Meyer Rewards card you help to raise funds for the ESPS while continuing to earn your own Fred Meyer points and gas rewards!

Because the Fred Meyer Rewards program is evaluated each year, a re-enrollment process is required for all shoppers. Please re-enroll in Fred Meyer Community Rewards to continue supporting ESPS. Visit the Fred Meyer Community Rewards website. At www.FredMeyer.com/CommunityRewards Click on "Link your Rewards Card Now" And sign in with your email and password. Then follow the instructions to designate us as the beneficiary. Thank you!

TO JOIN THE ***COMMUNITY*** REWARDS PROGRAM:

- Have your Freddy's card handy
- If you do not yet have a Freddy's card they are available at the customer service desk at any Freddy's or Kroger or QFC store.
- Register your Freddy's card online at the www.FredMeyer.com/CommunityRewards
- Click on "Enroll". Follow the steps to create an account and link it to your Freddy's card number.
- Enter our NPO number which is 84945 or Everett Sail and Power Squadron and click on "confirm".

Members must swipe their registered Freddy's card or use the phone number that is related to their registered Freddy's card when shopping for each purchase to count.

If you do not have internet access, please call 1-800-621-7042 and a letter will be mailed to you with a barcode you can use at the store.

The May 1st inaugural crab pot fundraiser was a HUGE success! We made $780!

by Lt/C Susan Tarpley, AP

Each year, thousands of crab pots are lost, abandoned, or found illegally fishing in the waters of Puget Sound. These pots pose many threats to people and the marine environment.

The gear damages propellers and rudders of commercial and recreational vessels. Derelict pots degrade the marine ecosystem and sensitive habitats. They unnecessarily and indiscriminately trap and kill commercially-and recreationally-important shellfish and other marine organisms.

Washington Dept. of Fish and Wildlife (WDFW), along with other partners such as the Northwest Straits Commission, regional Marine Resource Committees, and NOAA's Marine Debris program, try to retrieve as many derelict pots as possible. Rather than send tons of used crab gear to a land fill, WDFW salvages the pots and gear still in good working condition.

WDFW very graciously provided ABC of Snohomish County with a number of refurbished crab pots and gear for our fundraising effort. During the recent Opening Day of Boating Season events at the Everett Marina, we offered these fully equipped, re-serviced crab pots for a donation and SHAZAM…. they went quickly! We couldn't have asked for a better response!

We had great conversations with lots of folks about crab pots, crabbing practices, boating, and environmental stewardship. It was a terrific opportunity to benefit our organization financially, as well as be a part of an effort to reduce impacts to and restore the health of the waters in the PNW region. Way to go ABC of Snohomish County!

BIKE FUND UP AND RUNNING, *OR* SHOULD I SAY PEDDLING?

Our total is now up to $147 for Bikes for the children in Snohomish County either for Christmas House or Sharing Wheels. By fall we should know which organization will be giving out bikes to the kids.

In the meantime, you can donate funds using the PayPal button on our website www.BoatClubSnoCo.org. The PayPal button is under NEWS & EVENTS. You can donate $20 per submit. Or you can drop a check in the mail to Linda Martin.

I plan to be at the June General Meeting at the Fire Hall Parking lot and I'll bring the BIKE FUND JARS, if you'd like to give in person.

PFD, Linda Martin pointing the way….

VSC Schedule 2021

The 2021 VSC schedule is coming soon. Please check The Pike Pole for dates and locations for 2021. Other locations may be added. We will do many exams on an individual basis over the winter and spring months and respond to squadron member's requests.

Vessel Safety Exam
Contact: Lt Danny L.Daniels, AP for details

Upcoming VSC's

Everett Marina
June 12
July 10
August 14
September 11

Ahoy!
From *your* local Vessel Safety Examiners

by Lt Danny Daniels, AP

We have been pretty busy, despite the CoVID, roaming marinas as far north as La Conner and south to Edmonds. Masking up to be safe, the new State rules allow us to come aboard again, which makes things sooo much easier. And there are more exams to come this year, as we will work all Summer long to keep all our boater buddies up to date.

Were you at the May 1st Opening Day at Everett Marina? WE were there, and completed 13 VSC's that day. We met a variety of boaters, all having fun and fellowship on the North Guest dock and party barge.

And prior to that, WE were at Shelter Bay Marina and completed 16 VSC with one return visit for flares ! This is an annual trip north every Spring and we are always well received.

So far this year we are totaled at 33 exams given and 31 passed. We will be back for those 2, mark my words! A good year is usually around 100 exams by October, avoid the rush and do it now !!

HAVE YOU had your boat, watercraft or paddlecraft inspected this year? We do it all !! It is so easy to do, informative and keeps you safe while you are on the water. Plus there is a nifty decal that you will receive upon successfully completing the examination.

IF you would like to be an Examiner, it really is a lot of fun, you get to see some fantastic vessels and meet some interesting people as well! You can work your own hours, and the pay is fantastic (no income tax either). Let me know if you are interested and I will chat you up about what it is like and how to become certified.

Fair Winds to you all !!

April 3rd clean-up with Lt Glen Sandvick, P, P/D/C Dennis Morris, SN and P/C Jim West, JN

Adopt-A-Street Clean up planned July 17, 2021

The next Adopt-A-Street clean up is planned as follows:

When: **July 17- Time: 0800 – 1030**
Where: **Meet at the Broadway IHOP** *for* **breakfast at 0800** *at* **Gateway Plaza - 3710 Broadway**

Meet at Henry M. Jackson park for clean up at 0900

The activity is EASY and FUN. It usually takes about 1-1/2 hours to complete.

Please contact P/D/C Dennis Morris, SN (425) 355-2108 dennis.morris3@frontier.com to sign up.

It is important to sign up at least 1 week prior to ensure we have enough materials.

Driftwood Shores Garage Sale is Back

(COVID willing and Puget Sound don't rise)

When: July 17. 2021
Where: Annette and Dan Ferguson's Garage
222 Driftwood Shores Road
Camano Island, WA
Time: Arrive and Set Up 8:00 am.
Sale time 9:00 am to 3:00 pm

Volunteers are needed to help at the sale. We will set up a schedule for short shifts where you can work one or more shifts. Couples are welcome.

The theme this year is marine gear. Boat related items could include anchors, motors, life jackets, survival gear, electronics, fishing gear, dinghies, art work, books or almost anything else related to a nautical theme.

As in the past, lunch will be provided.A strong effort is needed to gather sale items prior to the event. Contact us if you need assistance transporting items to our location. Otherwise, let us know before dropping things off. Donations need to be on hand a day or more before the sale.

AMERICA'S BOATING CLUB
WASHINGTON ★ ALASKA ★ IDAHO

Annual D16 Rendezvous at Port of Poulsbo: 11-13 June 2021

Registration:

Name(s): _____ Squadron: _____
Cell Phone: _____ Email: _____

*****If you are coming for any of the rendezvous events PLEASE register*****
Registering only for events/fellowship (no moorage) circle YES

All moorage reservations must be received per below prior to May 24, 2021.
No guarantee for moorage will be given after this date!!

Friday Night Social: No host (BYOB&F) "Boat Tail Party" from 1700 to 1930 on "E Dock". Participants eat on their boat's tail (stern) or those without a boat eat on the dock. This provides an opportunity to socialize while observing current COVID guidelines.

We recommend boats are "stern in" to facilitate COVID socializing.

Saturday Skills: Flare shoot (fire real flares) & Fire Extinguisher (put out a real fire) training.

Saturday Dine on your own: Dine on your boat, the dock or one of the fine restaurants in Poulsbo.

MOORAGE Reservations:

- **Pay a nonrefundable $5 for moorage reservation prior to May 24, 2021.**
- Pay moorage fee to Port of Poulsbo Marina after arrival. The moorage fee is **$1.15/foot** (30' minimum) + **.75**/visit + **$5/night (30 amp electrical).**
- **Please circle your "1st choice" of moor:** bow in port bow in starboard stern in port stern in starboard
- **Please circle your "2nd choice" of moor:** bow in port bow in starboard stern in port stern in starboard
- **Please circle Arrival Day:** (Wednesday) (Thursday) (Friday) (Saturday)
- **Estimated arrival time:** _____

Boat Name: _____ **LOA** _____ **Beam** _____ **Draft** _____
Special Considerations: _____ (will try to accommodate)

Prior to entering the marina hail "America's Boating Club" on Ch72 for docking instructions (no self-assigning slips).

Non-refundable Moorage Reservation Fee ($5.00): $ _____

LODGING:

Call Poulsbo Inn @ 360-779-3921 or 360-779-9737. Reference **"America's Boating Club/Power Squadron"** for group rate of **$97.00 plus tax for King or $92.0 plus tax for 2 Queens**. Group block rate closes May 24, 2021. Please make your hotel reservations early. **Make hotel reservation and payment directly with the hotel.**

Registration form and payment must be received prior to May 24, 2021. Please Send to:

Make payment out to "USPS District 16"

Support ESPS...when you shop on *Amazon*

Support ESPS effortlessly and at no extra cost by shopping as you would anyway. ESPS is now registered with ***AmazonSmile***. Similar to customer rewards programs at grocery stores and the Community Rewards program that we have with Fred Meyer & QFC (through Kroger), Amazon offers a program called AmazonSmile to give proceeds back to your chosen non-profit organization.

You can select ESPS as your preferred organization by searching for "*Everett Sail and Power Squadron*" on the smile.amazon.com website. If you already have an account with Amazon.com, you can use the same Log-in and account info on Smile.Amazon.com. Alternatively, you can go directly to the following website to choose ESPS right now...https://smile.amazon.com/ch/91-6051416 .

It really is very easy and costs you nothing. Some answers to frequently asked questions are listed below and also on the website. Anyone can select ESPS, so encourage your family and friends to support us. Please register today and start shopping, knowing you are also supporting a terrific organization!! Thank you

What is AmazonSmile?

AmazonSmile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you. When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to your favorite charitable organization. You can choose from nearly one million organizations to support.

How do I shop at AmazonSmile?

To shop at AmazonSmile simply go to smile.amazon.com from the web browser on your computer or mobile device. You may also want to add a bookmark to smile.amazon.com to make it even easier to return and start your shopping at AmazonSmile.

Which products on AmazonSmile are eligible for charitable donations?

Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. Recurring Subscribe-and-Save purchases and subscription renewals are not currently eligible.

Can I use my existing Amazon.com account on AmazonSmile?

Yes, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

How do I select a charitable organization to support when shopping on AmazonSmile?

On your first visit to AmazonSmile (smile.amazon.com), you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. We will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation.

U.S. Coast Guard 13th District Pacific Northwest
Contact: 13th District Public Affairs

Coast Guard, partners urge paddle craft labeling this spring across the PNW

SEATTLE — The Coast Guard and its agency partners urge the labeling of paddle craft and owner responsibility as spring arrives across the Pacific Northwest.

Reports of unmanned and adrift paddle craft continue to divert federal, state, and local response boat and air crews on hundreds of dangerous and costly searches that turn out to be false alarms. Since 2016, 13th Coast Guard District aircraft and vessels have launched on 746 individual cases of vessels reported adrift or capsized.

All were unmanned and adrift, not resulting in an actual distress. Each case represents a minimum cost of approximately $40,000 to the government to respond and conduct searches for possible persons in the water. For the 13th District, this accounts for an operation cost of approximately $29,840,000.

The Coast Guard treats every distress call and report of an unmanned paddle craft as if a real life is at stake.
The Coast Guard urges the public to do the following three things:

Mark It!

- **Help us locate YOU! Take responsibility for your paddle craft by labeling it with an 'If Found' sticker. This label allows responders to contact and confirm if someone is actually in trouble and collect information to help search efforts. If you don't have a sticker, a simple label or piece of tape with a name, contact information, and alternate contact number written in waterproof ink or paint can drastically reduce search times when we contact the owner. The contact label can also assist in the return of any wayward watercraft to its owner.**
- **Take responsibility for recovering your paddle craft. Unmanned and adrift kayaks, canoes, dinghies, and rowboats often cause hazards to navigation in the waterway and increase the level of risk and fatigue on response crews tasked to find the owners associated with the unmanned paddle craft.**
- **Do your part to prevent false alarms. First responders deployed in search of unmanned paddle craft divert resources away from actual lives in distress.**

File It!

- **File a float plan - Before you leave, create a plan and let someone staying behind know your itinerary. The plan should include the contact information for all individuals going out, the intended route, and what to do in case of emergency or non-arrival at the estimated return time. A sample and more information can be found HERE.**
- **Check the weather - Weather can change quickly and is often a leading cause of water emergencies. Prior to departure, check the weather for current and forecasted conditions. This should include understanding how different weather conditions, tides, and currents will affect your waterway and craft.**
- **Know your limits. Paddle in areas suited to your level of experience and dress for the water temperature, since Pacific Northwest waters are often colder than the air temperature. New and inexperienced paddlers should seek out paddler education before heading out on the water. The Coast Guard Auxiliary offers the "Paddle Sports America Course," a four-hour, classroom based introduction to paddling safety, techniques and safety strategies. More information can be found HERE.**

Wear It!

- **Wear a life jacket. The Coast Guard advises all paddlers to wear (not stow/bring) a properly fitted Coast Guard-approved life jacket. Donning a life jacket is much harder once you're in the water, especially if you're fatigued or injured. Wearing an improperly fitted life jacket is just as deadly as not wearing one at all.**
- Use the buddy system. Two people allow one to help the other in case of emergency, and allows for that critical call for help to initiate a search and rescue response if the need arises.
- Have a waterproof communications device. Keep a cell phone in a waterproof case, handheld VHF radio, air horn, whistle or personal locator beacon on your person in case of emergency.

Let's pull together to paddle smart and paddle responsibly.

For more information on paddle craft labeling, contact your PNW Coast Guard Auxiliary via email at: iffoundsticker@d13cgaux.net to get a free "If Found" stickers to help label your paddle craft.
